We Are in Brief!

Lembos BD Limited is a newly established company in Bangladesh and a sister concern of Lembos Global Business Limited, operating with a strong international business network. The company specializes in the supply and trading of high-quality packaging materials for both plastic and metal packaging industries, serving clients in Bangladesh as well as Latin American markets through our global connections. In addition to packaging materials, Lembos BD Limited also deals in a wide range of industrial materials, machinery, tools, and accessories, supporting various manufacturing and production sectors. With a commitment to quality, reliability, and efficient supply solutions, Lembos BD Limited aims to build long-term partnerships and deliver value to customers across diverse industries.

Our Vision: To become a trusted local & international partner in the packaging and industrial supply sector by delivering reliable products, innovative solutions, and sustainable business practices.

Our Goal: To provide high-quality packaging materials, industrial products, and machinery while building long-term partnerships with clients in Bangladesh and global markets through efficiency, integrity, and consistent service.

Our Mission: To supply high-quality packaging materials, industrial products, and machinery with reliable service, competitive solutions, and strong global partnerships that support the growth of our customers.
